### **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance:

Prior Art alone or in combination fail to teach or fairly suggest an apparatus and method of generating an internal clock signal that is synchronized with an external system clock signal by using a logical circuit of a synchronizer circuit to combine a synchronized external system clock signal and a divided external signal, by a frequency divider having delay circuitry, in an integrated circuit as disclosed specifically in claims 1-46..

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Hien N Nguyen whose telephone number is (703) 308-4888. The examiner can normally be reached on FLEX.
